Frequently Asked Questions

Q: Why should I finance my project when I can pay cash or use a credit card?

Q: How do I make a payment?

It's simple – [pay online in the customer portal](#) or by phone, or schedule automatic payments to be drafted from your bank account. The choice is yours.

Q: How do I pay my contractor?

After your contractor requests a payment, you will receive a text message or email to approve the transaction.

Q: How long do I have to use my loan?

Once approved, and depending on your plan, you typically have up to six months to make your purchases and approve transactions.

Q: When is my first payment due?

There are a range of plans and some may offer promotional periods in which you are required to make only a minimum monthly payment or even no payment. Other plan types will have different requirements. Your contractor can work with you to provide the details needed to find the plan that's best for you.
